

Engagement, Bridal and Trash the Dress Sessions

We strive to make each Session personal, focusing on the individual. Rather than mass produce the same photos using the same studio backdrops, we show the uniqueness, and capture the couple as they really are. We will schedule a time and place to take your portraits, preferably in a park, like Hagerstown City Park, or in an urban setting, like Downtown Martinsburg. Are you looking for portraits that will highlight your *true* individuality and style? Do you want someone that will give you pictures with a modern and current feel without the cheesy studio props? Crouse Photography may be a perfect match for you.

- We can snap a few photos of you in an urban, country, or unusual setting.
- We can go to a zoo, museum, or amusement park.
- We can head to a park like Hagerstown City Park, or one of your choice.
- We can take photos of you doing your favorite hobbies, sports, and activities.
- We can capture you being the real you and then everyone can remember you for who you really are.

Spring and fall are the best time of year for outdoor sessions. I do studio sessions at my home or the client's home. The session date and time must be held with a credit card. Any session canceled within 24 hours of the booked time will be charged a \$25 cancellation fee. No shows will also be charged a \$25 no show fee. The sitting fee is \$52 and includes an hour session and webhosting for ordering.

You'll want to book your Engagement session no later than four months from your wedding date, six months is ideal. Your bridal session should be booked 6 to 8 weeks before the wedding date, sooner if you want images from the bridal session included in your Guest book. Trash the Dress sessions can be booked any time after the wedding.
