

## Senior and Graduate Portraits

We strive to make each Senior Portrait Session personal, focusing on the individual. Rather than mass produce the same photos using the same studio backdrops, we show the uniqueness, and capture the senior as they really are. We meet with you and discuss the details of what you want in your Senior Portrait Session. We will schedule a time and place to take your portraits, preferably in a park, like Hagerstown City Park, or in an urban setting, like Downtown Martinsburg. Are you looking for portraits that will highlight your *true* individuality and style? Do you want someone that will give you senior pictures with a modern and current feel without the cheesy studio props? Crouse Photography may be a perfect match for you.

We can snap a few photos of you in an urban, country, or unusual setting.

We can go to a zoo, museum, or amusement park.

We can head to a park like Hagerstown City Park, or one of your choice.

We can take photos of you doing your favorite hobbies, sports, and activities.

We can capture you being the real you and then everyone can remember you for who you really are.

We will never make you lie on the studio floor and place the word "senior" in front of you in big block letters. Stick you on the studio floor and place the numbers "2008" in front of you. You could just tell people you're graduating in 2008 instead (they'll still believe you).

Photoshop or overlay any words in 80's cursive letters over your photograph. Overly soften the focus, make you glow, or do anything we can to produce a photo that remotely resembles that of a certain nationwide glamour shot studio.

Spring and fall are the best time of year for outdoor Senior Portraits. I do studio sessions at my home or the client's home. The session date and time must be held with a credit card. Any session canceled within 24 hours of the booked time will be charged a \$25 cancellation fee. No shows will also be charged a \$25 no show fee. \$52 Sitting fee is waived if you sign a model release.

# Senior Picture Process - From Start to Finish

You like our work, and would like to book a session for senior portraits. Now what? We created this document to outline the entire process to make things easier!

1. Call us to schedule an appointment for your portrait session. We can talk about what you'd like to get from the session. We will find a time that works for you and schedule your appointment. A credit card will be needed to hold the date.
2. We will email you a downloadable contract. You (or your parent if under 18) will fill out and sign the contract. Bring your contract with you on the day of the shoot. You may pay any way you choose the day of the shoot: cash, check, MasterCard, visa, or American express.
3. We will meet at the agreed location in Martinsburg or the surrounding areas on the day of your portrait session and take your photos.
4. After the session, usually within a week, we will batch process your photos proofs for you to review online. Choose your poses and submit them to us.
5. We will send the photos to be printed. This generally takes a few days to a week. Once we get the prints back, we will contact you to arrange a time to pick up your prints. Or for an extra \$6 we will ship them directly to you.

## Frequently Asked Questions

1. [How do I reserve a portrait session with you?](#)

Please call our studio any time at 304-22-4723 or send us an email to [photogoroo@yahoo.com](mailto:photogoroo@yahoo.com) with your contact information so we can call you.

1. [How much does a senior portrait session cost?](#)

Our packages vary but all are priced very reasonably. We don't think you should have to take out a loan to get some high quality, modern looking senior photos.

2. [How much do you charge for a sitting fee?](#)

No Charge. We think a sitting fee is a sneaky way to get a few more dollars from you, so we don't do it. The price you see listed is the final cost with no hidden fees. Pretty straight forward right? However we do require you to sign a model release.

3. [How much do the actual photos cost?](#)

We actually roll the price of the session and the cost of the photos into one convenient package for you. We also have an "Ala Carte" section for individual prices.

4. [When do I pay for the senior portrait session?](#)

We ask that you pay the full amount of your session the day of the session. A credit card is needed to hold the date but will not be charged unless you cancel less than 24 hours before the appointment or no show.

### [What types of payment do you accept?](#)

We accept cash, check, money order, visa, MasterCard, and American express.

5. [How long does the average senior portrait session last?](#)

The length of the session depends on the package you select, typically from 1 to 2 hours. Don't worry though, if we're in the middle of a shoot and the time has expired we won't stop right there. Our goal is to get good photos so if that means staying a few extra minutes then no problem.

6. [Where do you shoot the session?](#)

In short, any place you'd like! If you need help deciding we can make a few recommendations. We have quite a few great locations in the Martinsburg and Hagerstown area. Hagerstown City Park, War Memorial Park, Downtown Martinsburg, and Downtown Hagerstown are a few to mention. We'll talk with you to come up with a good game-plan. After all the photo session is about you and your needs. Once we find out what you're aiming for (or what your taste is) we can agree on a place. We'd prefer not to be cooped up in a studio and arm you with the same old standard studio props. There are so many photography studios that have that style covered. We like the natural, modern, fresh feel and you can usually get that outdoors somewhere.

[If we shoot my senior pictures in the park, where do I change?](#)

Most parks have a restroom for you to change outfits. Hagerstown City park has several "Comfort Stations" also known as restrooms where you can change while we're going from one area in the park to another.

7. [Will you travel outside of Martinsburg?](#)

Sure! Just let us know and we'll work out some sort of deal. (i.e. - You cover the gas mileage, etc.)

8. [What happens if the weather is bad?](#)

Great question! We can either reschedule or shoot indoors. It'd probably be best to reschedule but if you're in a pinch and need your photos we will be spontaneous and shoot somewhere indoors. We're pretty flexible though, and sometimes the best photos come from a "plan b".

9. [What if I need to cancel my session?](#)

Frankly we're a little hurt that you would ask such a thing. But seriously you may be put in a position where you need to cancel and that's perfectly okay. It's no problem to reschedule for another date but would ask that you let us know at least 2 days in advance. If you cancel less than 24 hours or no show we will charge your card \$25 plus tax.

10. [What if I don't like my portraits?](#)

If you're not satisfied with the portraits then we're not satisfied. We'll gladly meet with you and reshoot the session again at no charge. Please let us know you're not satisfied after viewing the proofs and *before* we print them. This way we'll be able to reshoot your session right away to stay on track. We can't do a refund once the CD is sent out because they can be copied.

11. [What happens after the photo session?](#)

We take the photos back to our studio and work our magic to process them. After processing we'll upload the proofs and let you view them online. You can then select which poses from the photo shoot you would like to have printed.

12. [What happens after we pick the proofs we want printed?](#)

Once you have picked the proofs that you would like printed we'll spend a little more time with color correction, airbrushing, etc to make sure the photo is perfect. Then we'll send them to print which typically takes another week depending on the time of year.
