

Crouse Photography A La Carte Pricing

(Prices and terms subject to change without notice)

OUR PROMISE

We guarantee that you will love your photographs so much you will not be able to put them down or stop showing all of your friends and family or within 7 days you can return your package and I will refund all of your money!!!

The Rehearsal

The photographer will attend the rehearsal at the ceremony location for all packages. It is important for the photographer to meet everyone before the wedding day, and help coordinate the ceremony for the best possible photographic results. Because it is not always possible for us to attend some rehearsals due to distance, the booking of other weddings, etc., there is no charge or time taken away from your package for rehearsal attendance.

Create Your Own Package

Don't pay for what you don't want
